## BUREAUCRATIC PROCEDURES

### EU students

**Students with an EU passport** do not need a VISA to enter Italy.

However, if they plan to stay for more than three months, they have to request a document called **Iscrizione Anagrafica** at the office called *Municipio di Residenza* (<http://www.poliziadistato.it/articolo/10930>).

### Non-EU students

**Students without an EU passport**, who plan to stay in Italy for more than 3 months, will receive an invitation letter from UNINT in order to apply for a study VISA.

### VISA

Please have a look at the [Eu Immigration Portal](#). Here you can find all the conditions to fulfil and the procedures to follow in order to study in Italy for more than 90 days.

### HEALTH INSURANCE

Please bear in mind that once you have entered Italy, you have to apply for a residence permit for reason of study ([Eu Immigration Portal - Il Portale Immigrazione - Poste Italiane](#)). Before going to the post office at the desk *Sportello Amico*, ask UNINT IRO office for a declaration attesting your mobility at UNINT.

**Students without an EU passport** have to show proof of certified health insurance coverage in Italy (it is recommended to have a copy certified by the Italian Consulate or by the Embassy in your own country). Otherwise, foreign students may buy a private insurance policy before their arrival in Italy.

### Tax Code

To open a bank account and to sign a rent agreement, it is necessary to have a **Codice Fiscale** (Tax Code). You can apply for your *Codice Fiscale* at the Embassy/Consulate (where you also request the VISA) or you can get it directly in Rome, after your arrival.

### Codice fiscale

To receive a Tax Code in Rome, you need to go to the office called *Agenzia delle Entrate*, located in Via Ippolito Nievo 48-50, tel: 06.58.31.91 e-mail: [dp.iroma@agenziaentrate.it](mailto:dp.iroma@agenziaentrate.it) (metro B stop "Piramide", then tram n. 3 stop Piazza Ippolito Nievo).

The Tax Code is an alphanumeric code based on your first name, family name and date and place of birth. It is used by the Italian public administration in order to identify citizens living in Italy.
